ALASKA CRUISE TOUR

AUG 19-SEP 3, 2028 | STAR SEEKER

Sail with Seth — aboard Star Seeker, a Windstar vessel small enough to go where the big ships don't — and awaken your sense of adventure on an unforgettable Alaska voyage. Travel north through Canada's Inside Passage to intimate coastal towns like Wrangell and Haines, where frontier history, local culture, and rugged shorelines set the stage for days of discovery.

Cruise past the glaciated slopes and ice-strewn waters of Misty Fjords, Tracy Arm and Kenai Fjords, scanning the horizon for breaching whales and the distinctive spray and black fins of orca pods. With the agility of a small ship, you'll enjoy up-close vistas and quieter anchorages inaccessible to larger vessels.

Disembark in Seward for an immersive rail and road journey inland to Fairbanks and the majestic Denali National Park. Expect frequent sightings of Dall sheep, caribou and foxes — and the thrilling possibility of grizzly and wolf pack encounters that even locals relish. A serene float along the Chena River adds another chapter of wildlife viewing before your transfer to Fairbanks Airport.

Experience Alaska as it was meant to be: intimate, wild, and remarkably close. Sail with Seth and let Windstar lead the way.
